Site Restrictions

Please read the following restrictions and adhere to them in order to promote an orderly, safe, pleasant, and exciting competition. As a group, we all should honor agreements with the venue and help promote the spirit of good partnership.

Please:

- **Do not use noisy devices**, such as whistles or air horns.
- **Do not save seats.** It is not fair to other teams or to the public guests we hope to interest as team sponsors or volunteers.
- **Do not arrange for Internet access** on the site or bring free phone lines for same.
- **Do not sell any products.** This includes food, hats, shirts, or any promotional products.
- **Do not give out any free food products**, such as candy, water, soft drinks, or fruit. You may trade team pins, however.
- **Do not use helium tanks.**
- **Do not bring live bands** to play in the audience. This dilutes the presentation on the playing field and is too loud and confusing for the audience.
- **Do not play loud music in the Pit** because it interferes with important announcements. If a team receives more than a warning or two, the power to the team's Pit Station will be shut off and/or the music confiscated.
- **Do not run in the venue.**
- **Open-toed shoes are not allowed.**
